Thank you for considering People For Pets – MVHS, Inc. for your new family member!

There are a few things we ask that you keep in mind when thinking about adding a dog to your family:

- Your new pet will need to be allowed an adjustment period anywhere from 3 weeks to 3 months to settle into their new life with you.
- The staff/behaviorist may suggest behavior modifications and/or certain measures be taken to ensure the dog's safety and happiness, including crate training, a secure, fully fenced yard for outside time, and training techniques pertinent to that specific dog, etc.
